

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF NEW YORK

DANIEL CALLAHAN and ELAINE
CALLAHAN,

Plaintiffs,

ORDER

05-CV-6079L

v.

MARVIN I. BARISH LAW OFFICES, P.C. and
BARISH LAW OFFICES, P.C.,

Defendants.

This case is scheduled for a settlement conference on **Wednesday, October 26, 2005**, at **10:00 a.m.** at the **Office of the Court Clerk of the District Court, United States Courthouse, 2nd Floor, 100 State Street, Rochester, New York** before the **Hon. Victor E. Bianchini, United States Magistrate Judge.**

Trial counsel, parties, and persons with full authority to settle the case are hereby ORDERED to personally attend the settlement conference, unless excused by the Court for good cause. If consent to settle is required for any reason, the party with the consent authority shall be personally present at the settlement conference. If no trial counsel, or person with full authority to settle a case is personally present at the settlement conference, unless excused for good cause, the party may be subject to appropriate sanctions pursuant to Rule 16(f)of the Federal Rules of Civil Procedure.

Experience teaches that settlement conferences are often unproductive unless the parties have exchanged demands and offers **before** the conference and made a serious effort to settle the case on their own. Accordingly, before arriving at the settlement conference, the parties are to

negotiate and make a good faith effort to settle the case without the involvement of the Court. Specific proposals and counter proposals shall be made. If settlement is not achieved before the settlement conference, the parties shall be prepared to engage in further negotiations at the conference.

SETTLEMENT STATEMENTS/BRIEFS

In addition to discussing settlement among themselves and exchanging demands and offers **before** the conference, written statements of the position of each party shall be lodged with the **Hon. Victor E. Bianchini, 501 United States Courthouse, 68 Court Street, Buffalo, New York 14202**, and served on the other parties. Each party is directed to forward **two (2)** copies of its settlement statement to Magistrate Judge Bianchini, and **one (1)** copy to all other parties to the litigation. **DO NOT file settlement statements with the Clerk of the District Court.** The settlement statements must served on the Court and the other parties **seven (7) COURT days prior to the settlement conference**, unless otherwise ordered. If service is by mail, all papers must be mailed **not less than ten (10) days before** the court date. If service by mail is not made within this time period, the settlement statements shall not become a part of the file and will be discarded. **Confidential matters may be brought to the attention of Magistrate Judge Bianchini during the settlement conference either orally or in writing.**

Settlement statements **shall not exceed five (5) pages, excluding attachments**, and shall include the necessary information to concisely support issues of liability and damages, a settlement demand and offer, as well as an itemization of special and general damages, if applicable. Specifically, the settlement statement or brief should include the following:

1. A brief statement outlining the names of the parties and their counsel;
2. A discussion of the factual and legal issues of the case, including a discussion of any reports and recommendations, or decisions and orders that have been issued in the case;
3. A discussion of plaintiff's, or any other party's, available remedies/damages (e.g., in an employment discrimination case the amount of back pay, subsequent earnings, mitigation, reinstatement or front pay, compensatory damages, if any, etc.; in a personal injury case, a description of plaintiff's injuries, medical records, IMEs, wage loss, if any, and mitigation, etc.);
4. The status of the litigation, including discovery, dispositive motions and trial date, if any;
5. The status of settlement discussions, including the latest demand and offer that has been exchanged in accordance with this Order; and
6. Any other issue that the party believes is relevant and would facilitate settlement.

The purpose of the settlement conference is to facilitate settlement of this case if that is appropriate. The conference will be conducted in such a manner as not to prejudice any party in the event settlement is not reached. To that end, all matters communicated to Judge Bianchini in confidence will be kept confidential and will not be disclosed to any other party or to the trial judge. Judge Bianchini, of course, will not serve as the trial judge in this case.

The request for personal appearances by the parties is intended to increase the efficiency and effectiveness of the settlement conference by reducing the time for communication of offers and increasing the opportunity to explore options for settlement. **The parties are directed to review Rule 16(f) of the Federal Rules of Civil Procedure which provides for appropriate sanctions, in the event a party or its attorney fails to obey a scheduling or pre-trial order of the Court, or fails to appear at a pre-trial conference, or is unprepared to participate in the conference, or fails to participate in the conference in good faith.**

IT IS SO ORDERED.

DAVID G. LARIMER
United States District Judge

Dated: September 22, 2005
Rochester, New York

SETTLEMENT CONFERENCE PREPARATION
Hon. Victor E. Bianchini, United States Magistrate Judge

Experience shows that in negotiations, the party who is best prepared usually obtains the best result. Settlement conferences can be more efficient and productive if all parties and counsel are prepared. The following are some areas to consider in order to aid in the effectiveness of this settlement conference.

A. FORMAT

1. Parties with ultimate settlement authority must be present **in person** unless excused by the court, in which case they may be available by telephone. However, a letter explaining the factual circumstances of your case and explaining why the representative is unable to appear in person must be sent to Judge Bianchini for his consideration prior to the conference.
2. The court will use a mediation format, and private caucusing with each side; the judge may address your client directly.

B. ISSUES

1. What issues--both in and outside of this lawsuit--need to be resolved? What are the strengths and weaknesses of each issue? What is your most persuasive argument?
2. What remedies are available from this litigation or otherwise?
3. Is there any ancillary litigation pending or planned which affects case value?
4. Do you have enough information to value the case? If not, how are you going to get more information before the conference?
5. Do attorney's fees or other expenses affect settlement? Have you communicated this to the other side?

C. AUTHORITY TO SETTLE

1. Are there outstanding liens? Have you verified amounts and whether they are negotiable? Do we need to include a representative of the lien holder in the settlement conference? If so, contact the Court immediately.
2. Is there valid insurance coverage? In what amount? If coverage is at issue, or the amount and type of coverage affects settlement value, have you notified the other side? Do we need to include the representative from more than one company or carrier? If so, notify the Court immediately.

D. PRIOR NEGOTIATIONS

1. Where have your last discussions ended? Are you sure about this?
2. Can you have any discussions before the settlement conference to make it proceed more efficiently?
3. What value do you want to start with? Why? Have you discussed this with your client?
4. What value do you want to end with? Why? Have you discussed this with your client? Is it significantly different from values you have placed on this case at other times?
5. Is there confidential information which affects case value? Why can't/won't/shouldn't it be disclosed? How can the other side be persuaded to change value if it doesn't have this information?
6. What happens if you don't settle the case at the conference? What is your best alternative to a negotiated settlement? Why?

E. CLOSING

1. If settlement is reached, do you want it on the record?
2. Have you discussed settlement formats with your client? Does the client understand structured settlements, annuities, and Rule 68 offers to compromise?
3. How soon could checks/closing documents be received?
4. If settlement is not reached and further discovery is needed, what is your plan for continued settlement discussions? Do you want the Court to be involved in these talks?
